"BEST INVESTMENT I HAVE EVER MADE"

Contractor Wouldn't Take Five Hundred Dollars for Good Tanlac Did Him

"I just want to say right now that I wouldn't take \$500 for the good that the first bottle of Tanlac did me, for I feel like it has given me a new lease on life," said C. E. Nelson, a contracting carpenter living at 778 63d avenue, Southeast, Portland, Ore., recently.

"Following a serious accident four months ago," he continued, "which laid me up for eight or nine weeks, I lost my appetite, and my stomach got all out of order. What little I did manage to eat would sour and form gas, which would cramp and pain me until I could hardly stand it. Then my kidneys went back on me, and my back hurt so bad I couldn't find a comfortable position. They said I had rheumatism or 'lumbago,' then my right leg, below the knee, got to hurting me, and at times I couldn't stand on my feet or get up when down. I was constipated all the time and suffered a great deal with headache. Nobody knows how I really did suffer, because I just can't describe it, and as nothing seemed to do me any good I had become discouraged about my condition.

"I finally sent down and got a bottle of Tanlac, as I had read so much about it, and it was about the best investment I ever made. My appetite came bounding back after my first few doses, and by the time my second bottle was gone, my stomach trouble was almost gone, too. I am now eating any and everything I want and it doesn't hurt me the least bit, and my kidneys and back are greatly improved. At the time I started on Tanlac I had to use crutches in order to get about, but I don't need them now at all, and have thrown them aside. I have gained several pounds in weight, and can just feel myself getting stronger every day. I have gone back to work already, and I never lose an opportunity to speak a good word for Tanlac."

"Tanalac is sold in Bisbee by J. M. Ball, in Douglas by Douglas Drug company, in Paradise by G. A. Walker, in Bowie by Bowie Drug company, in San Simon by J. B. Cooke, in Wilcox by A. A. Nicholson, in Lowell by Lowell Drug company, in Benson by C. F. Moss Pharmacy, in Gleason by H. A. Taylor, and in Warren by Warren Drug company."

LIBERTY LOAN IS BOOSTED ALONG BY WOUNDED SOLDIERS

MEN 'SHOT UP' IN RECENT FIGHTING IN EUROPE ORATE IN BEHALF OF BIG PATRIOTIC BOOST FOR UNCLE SAM IN THIS FEDERAL DISTRICT

DALLAS, Tex., Oct. 12.—Pvt. Raymond Jolly of Alabama never made a speech in his life until he went out with the Liberty loan train. Now he has developed into a regular "over the top" orator with pep and punch that gets 'em wild. Waving the stump of an arm, showing the fresh wound received at the battle of Chateau Thierry, just two months ago, he tells them how he got the boys over. "The more boys from your own town will come back, I'm going back just as soon as I help finish this job," he shouts, "I know I've got a bum wing, but the Kaiser's got one too, and I'm a damned sight better man than he is."

Sgt. Frank Haley, New York Irishman, wounded seven times at Campaign orator from Waco, tells of Haley's remarkable deeds of daring; of how the Germans took a railroad away from the American engineers and how Haley and other Americans went out in the open in front of Cambrai and took it back.

"But Haley has never explained how he got shot twice in the back," says Jeff and Haley comes back with an honest to goodness explanation of how an American soldier can get shot in the back with honor.

"He tells you that I was shot twice in the back," flashes back Haley in his rich Irish brogue "but he doesn't tell I was shot five times in front at the same time. Now under them conditions I leave it up to you whether I was coming or going when that many of them big dicks comes at you."

"Time and again little school girls will pass by and jolly us and then hurry away to hide. A little girl when asked why she was crying, said: 'I was thinking about the boys of our town who will come back all shot up like Haley and Jolly are, ch, won't people lend the money to stop it all.'"

On one occasion at Alvin, Tex., where there were an unusually large number of pretty girls present, he spoke French. He spoke of the gratitude of France and how France loves our boys who are fighting over there.

"I tell you girls," he said, with a wink, "that I feel sorry for all of you. There are nearly two millions of your sweethearts over there and there are four million French ladies who are crazy about all of 'em."

A storm of laughter and applause followed.
